TERRAIN AND MAP:

Terrain is located around the steep slopes of river Piusa. Runnability varies from good to poor. Maximum height difference is up to 45 meters. There are a lot of fallen trees in the forest, which slow down the running speed. There are a lot of swamps which are mostly wet. Irregular network of paths and roads. Approximately 80% of the terrain is covered with forest. Athletes running longer courses (MW21A, M18, 35, 40) will have to cross Tuhkavitsa stream on Day 1. The stream is crossable, water reaches approximately to the knees.

Map scale: 1:10 000 or 1:15 000.
Contour interval 5 m, map size A4
Map author: Madis Oras (autumn 2016 - spring 2017).

STARTS

There are three starts: Start 1, Start 2, Start 3. Both days all the starts are located close to the competition centre. There will be route markings to the starts. Pre-start is 2 min in each class. Maps can be taken at the start time from buckets. Clothes will be transported from starts to finish during the competition.

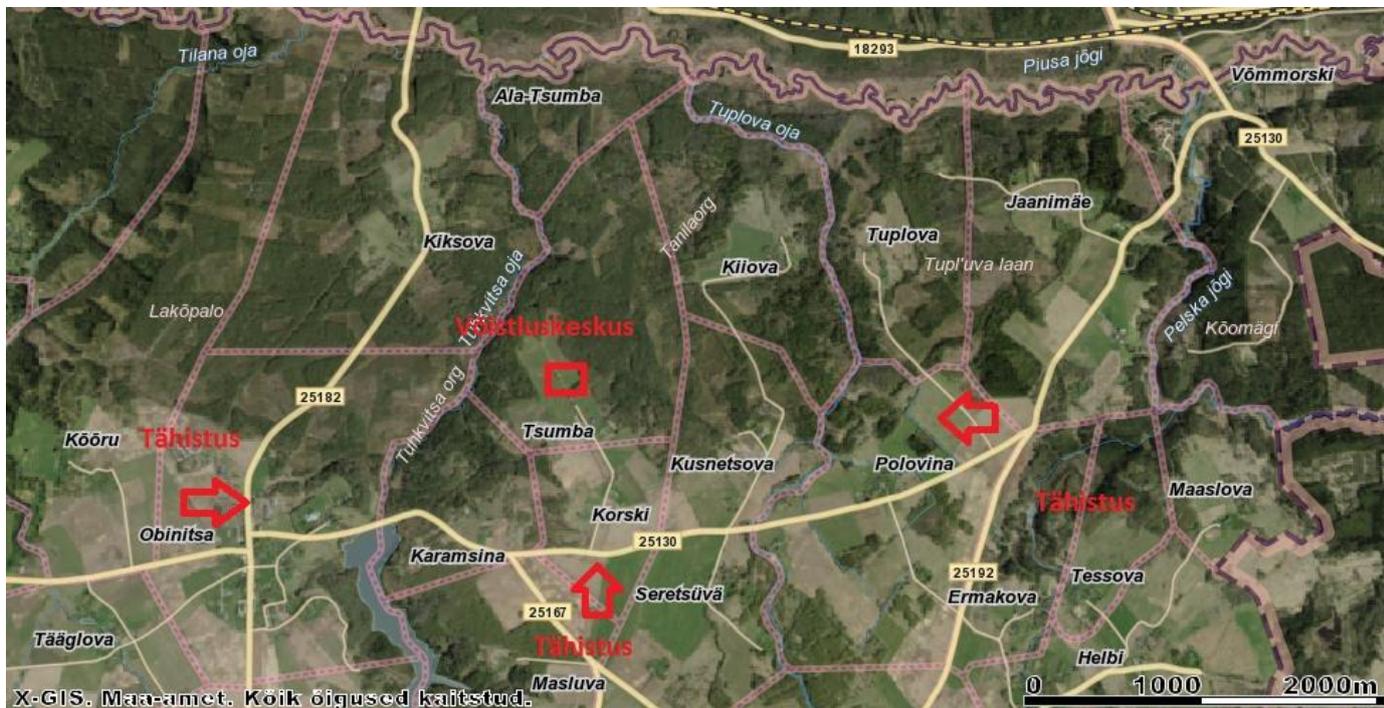

Open course and marked course (MN8-10MN) runners can choose their start time. Start 3 will be open both days for 1,5 hours: Day 1 from 13.00 to 14.30 and Day 2 from 10.00 to 11.30. Runners starting from Start 3 can take their map 1 minute before the start. There will be organizers who lead and teach the participants.

CONTROL DESCRIPTION

Separate control descriptions will be available at the start for all classes except of MN8-10NR. Control descriptions will be also printed on the front side of the maps. MN21A classes will have only queue number printed next to the control circle (i.e 1, 2, 3), all the other classes will have both queue number and control number (i. e 1-31, 2-32).
