TERRAIN AND MAP

Map

Map corrections autumn 2022, spring 2023; mapper Rein Zaitsev; old map Värska-Korela ([2010019](#)).

Map_scale

Map scale is 1: 10 000 on both days, may be specified in bulletin 2. Map scale is 1:5 000 in children's string course. H=2,5m.

Terrain

The terrain is the slope of the Piusa river, with various relief systems. Part of the landscape has been the site of an Estonian and Russian military training ground, and as a result there are many artificial objects in the landscape. Runnability varies from very good to good. Maximum height difference is up to 25 meters. Approximately 95% of the terrain is covered with forest. Terrain is suitable for spring competition.

COURSES

Individual start race on both days. Long distance on Day 1, middle distance on Day 2.

Course setter is Rein Zaitsev.
